Please see G.L. No.1129/48(3)-E(II), dated the 1-6-50 to the S.E., S.C., the S.E.,Karnatak Irrign. Circle and the P.H.E. to Govt.

pp 195 & 205/c

The S.E., Karnatak Irrign.Circle, and the S.E., S.C., have verified the consolidated list of clerks in the Karnatak Zone and agree with the seniority as proposed therein subject to the remarks made in the following paras.

p. 135/c

2. The Ratnagiri and Kolhapur Dns. have since been transferred to the Karnatak Zone. The seniority of the Divnl.Head Clerks of the two Dns. has therefore to be fixed. Information in this connection is awaited from the Ex.Engr., Kolhapur Dn. (The post of the Divnl.Head Clerk, Ratnagiri Dn., is vacant - vide p. 213/C). The presumption made by the S.E., Karnatak I.C., viz. that the 15 posts are those mentioned by him at p.195/C may be confirmed. The consolidated list will be finalised on receipt of the information from the E.E., Kolhapur Dn.

3. The S.E., Karnatak I.C. & the S.E., S.C., have raised the question of exclusion of the P.H.Dn. at Dharwar in the consolidated list of clerks on zonal basis. It has already been decided that the seniority of Dnl.Clerks in P.H.Circle should be regulated on regional basis.

p-1/c (para 2)

In G.L.No.1129/48-E(II), dated the 23-11-49, orders have been issued to the effect that the Dnl.Offices of the P.H.E.to Govt. will be included in the zones in which the Headquarters of the Dns. are situated. Accordingly in respect of the other zones, the P.H.Dns. have been included in respective zones. The suggestion made by the S.Es. will, therefore, have to be negatived.

4. The S.E., S.C., has forwarded an application from Shri M. S. Tilwalli in regard to his seniority vis a vis Shri D. N. Dravid. The S.E. has remarked that while fixing relative seniority between clerks belonging to different circles, the pay on permanent estabt. on the date of amalgamation and the date of next increment should be deciding factors. The relevant details of the two clerks are given below:-

Srl. No.	I t e m s	Shri Dravid.	Shri Tilwalli.	Remarks.
1.	Date of birth.	7- 8-1898	26- 1-1909	
2.	Date of entry into service.	18- 5-1936	4- 7-1926	Shri D. is a retrenched personnel. He entered Govt. service on the 16-11-23 but was retrenched from the 1-4-33 due to abolition of P.H.W.Dn.
3.	Date of apptt. to the grade of Rs.100-8-140-10-150 (Prescribed revised Rs.95-5-115).	16- 1-1946 (Sub-Tempy.)	1- 7-1947 (Pro.permt.)	
4.	Date of apptt. as Divnl. Head Clerk.	1- 9-1949 (Offg)	7-11-1949 (Offg.)	
5.	Pay at the time of absorption of Shri Dravid in the S.C. (6-12-1949).	Rs.140 in the scale of Rs.140-10-190 (Divnl. Head Clerk).	Rs.140 in the scale of Rs.140-10-190 (Divnl. Head Clerk).	

It will be seen from the above that except for the fact that Shri Dravid happened to fall a victim to the retrenchment effected in 1933 (for which he can in no way be held responsible) Shri Dravid is senior to Shri Tilwalli for all purposes. The crucial dates for this consideration are those mentioned against Sr.No.3 in the above statement. Appointments against sub-tempy. vacancies and provisional permanent vacancies carry identical privileges. It is also seen from the service book of Shri Dravid that he agreed to get his lien in the C.C. terminated on the 6-12-1949. On that date the position was that Shri Dravid was senior

to ....

to Shri Tilwalli, vide entries against Srl. Nos.4 and 5 in the above statement.

It is, therefore, clear that Shri Dravid is senior to Shri Tilwalli in the Karnatak Zone. The S.E., S.C., will be informed accordingly, if approved.

GJP.
28/8/50

Though Shri Dravid might not have been responsible for his retrenchment in 1933 & consequent break of service the fact that to all intents & purposes he is a new recruit in 1936 remains. I suppose the orders for fixing seniority are first 'pay'. If so, Shri Tilwalli's claim appears to stand.

2 The point at issue is to decide as to whose senior between Shri M.S. Tilwalli & Shri D.N. Dravid. The service books of the two clerks are put up below. The data required to come to a decision on this point is furnished in para 4 of the O.N., dated the 30-8-50. In particular this Deptt. will like to have the advice of the P & S.D on the question whether Sub. temp. appointees & appointees provisionally permanent/carry the same privileges. It may be added for the information of the P & S.D. that the seniority of clerks in the P.W.D is based on para, other factors being equal

"POLITICAL AND SERVICES DEPARTMENT
'D' BRANCH"

So far as status is concerned both classes of persons mentioned by the P.W.D. (viz. those who are ~~confirmed~~ appointed provisionally substantively to a permanent post and substantively to a temporary post) enjoy the same status. Both are substantive holders of the post, the former of a permanent post in place of the permanent incumbent whose lien is suspended and the other of a temporary post.

2. According to the P.W.D. the seniority of clerks in the P.W.D. drawn from different circles is determined according to their pay and if their pay of two or more persons is the same according to the dates of next increment. In the present case the pay of both Shri Dravid and Tilawalli on the date of their absorption was the same, viz. Rs.140/- p.m. Accordngly their seniority should be determined according to the date of their next increment. The dates of their confirmation as Divisional Head Clerks does not seem to be relevant as chances of confirmation were not the same in all the Divisions. Similarly the fact that Shri Dravid had joined in 1923 whereas Shri Tilwalla had joined in 1926 does not help Shri Dravid as there was a break in his service in 1933 and he was reemployed in 1936. As pointed out by the ChiefEngr. he is a new recruit reemployed in 1936 and in length of service is junior to Shri Tilwalli who joined in 1926 and has been in continous service.

3. P.W.D. may be advised to fix the seniority of the two persons according to their date of next increment, if 'A' above is correct. If it is not correct or if the date of next increment of ....

of the two is the same Shri Tilwalla will have to be treated as senior as he has longer service to his credit.

Submitted with reference to the P. and S.D. note, dated the 16-9-1950. P. 5

2. As pointed out in the statement at p.2 ante. Shri Dravid was appointed earlier than Shri Tilwalli as a S.A.C. only. The term "date of absorption" used in para. 2 of the P. and S.D. note, dated the 16-9-1950, appears to mean date of apptt. to the post of a Divl. Head Clerk. Shri Dravid was appointed as an offg. Divl. Head Clerk on the 1-9-1949 while Shri Tilwalli was appointed as offg. Divl. Head Clerk on the 7-11-1949. Thus Shri Dravid will earn his increment as a Divl. Head Clerk earlier than Shri Tilwalli. In view of the portion side lined 'A' at p.5 ante, Shri Dravid will be senior to Shri Tilwalli. The P. and S.D. may be requested u.o. to state if this view is correct.

3. In his office order No.G.44, dated the 2-9-1950, the S.E.,S.C. has issued an order transferring, inter alia, Shri V.K.Kabe S.A.C. in the Karnatak Irrign. Circle as Divl. Head Clerk in the S.C. This appointment was made by the S.E.,S.C. without consulting the S.E., Kar. Irrign. Circle. There has been some correspondence between the two S.Es. and ultimately it is proposed to retain Shri Kabe as a Divl. Head Clerk in the S.E., Kar. Irrign. Circle. and transferring either Shri Dravid or Shri Hampi as Divl. Head Clerk to the S.C. Before issue of any orders in this respect a further communication from the S.Es. reg. transfer of either Shri Dravid or Shri Hampi may be awaited. 7-43-C

4. The combind seniority list of the Karnatak Zone as is proposed to be adopted now will be at pp.135-136/c of file No.1129/48(3)Part I. On account of the closure of the Koyna Irrign. Circle and transfer of the two Divl. offices. of that Circle to the Karnatak Irrigan. Circle, the combind seniority of clerks in the Karnatak Zone will be altered. The S.E., Karnatak Irrign. Circle may

be.....

be asked to furnish the relative seniority of the Divl. Head Clerks of the two Dns. On receipt of this information, a combined seniority list for the Karnatak Zone will be issued.

Subject:-- Shri A. V. Pai, Head Clerk to the Superintending Engineer,S.C.(On leave)

Reference: Superintending Engineer,S.C's Establishment Order No.G-44 of 17-5-1950.

Sir,

It seems that the above Establishment Order issued on the eve of the Superintending Engineer's transfer to Baroda Circle cannot stand and will not in any way affect my position as provisional permanent Head Clerk to the Superintending Engineer, S.C. for the following reasons:-

(i) Shri. V.R. Desai was actually working as Head Clerk to the Superintending Engineer, Karnatak Irrigation Circle, long before 23-6-1948, the date on which the permanent vacancy in the S.E.,S.C's Office fell vacant due to the retirement of the then Head Clerk, Shri. Abhyankar and since Shri Desai was on deputation in other Circle and as his lien in the Southern Circle was suspended, the then Superintending Engineer seems to have rightly appointed him as provisional permanent Head Clerk in the S.E.,S.C's Office and seconded him as is evident from the Office Order No.G-44 of 11-6-1948 (copies of both the orders are attached) and I was appointed as a Provisional Permanent Head Clerk in the Southern Circle to relieve Shri. Abhyankar on 23-6-1948 which I did and which post I actually held till the date of my proceeding on refused leave after superannuation on 30-3-1950 A.N. on which date I was actually relieved by Shri. Desai, from the K.I.C. So his suspended lien in the Southern Circle can only be revived from the date he actually joined the Southern Circle, i.e., from 31-3-'50 B.N. as per rule 19(f) of the B.C.S.Rules and not from 23-6-1948 as is done in the present order.

(ii) Even after the amalgamation of ~~the Clerical~~

the Clerical cadres of the two Cirles viz., Karnatak Irrigation Circle and Southern Circle, my position as Head permanent Head Clerk in the S.E., S.C's Office does not in any way change since Shri Desai was actually working in the K.I.C. and as his lien in the S.C. was suspended and as I actually continued in the same post in the S.C. and in the same office till the date of my superannuation on 31-3-1950 .

(iii) Besides, the S.E., S.C. has intimated to the S.E., K.I.C. and also to Government that the question of Shri. Desai's confirmation as Head Clerk in the S.C. would be considered 6 months after he actually joins duty in the S.C. i.e., in October 1950.

(iv) Even supposing that the order is alright my appointement as Head Clerk in the Office of the S.E., K.I.C. would be substantive Temporary as the K.I.C. is sanctioned for a period of 3 years in view of Note to Rule 9(56) of the B.C.S.Rules which is not made clear in the Establishment Order.

It may also be mentioned here that on the analogy of the orders issued in the original Office order subsequent promotions etc. already effected in the ODL cadre will also be affected by the present order which would mean undue handicaps to so many

Under the circumstances, I beg to request that the Establishment Order may kindly be cancelled or suitably amended so as not to affect my position in the cadre and my leave salary etc. in any way.

Kumla
31st May 1950

Yours faithfully,

A. V. Pai

The Secretary to Government,
Public Works Department, Bombay No.1.

Subject : Seniority list of clerks in the Karnatak Zone.

.....

Reference : Government, Public Works Department, (Confdl.) Letter No.1129/48(3)-E(II), of 30th May/1st June, 1950, and expeditor No.1229/48(3)-E(II) of 11th July, 1950.

2. The provisional seniority list of clerks in the Karnatak Zone issued by you has been verified.

3. Shri M.S.Tilwalli has, however, represented that he is senior to Shri D.N.Dravid, B.A. A copy of the representation of Shri Tilwalli together with the copies of this office letter No.G-46 of 4-1-1950, addressed to the Superintending Engineer, Karnatak Irrigation Circle and his reply No.G-46 of 1-7-1950, in this connection, are enclosed for reference. Shri D.N.Dravid, B.A., originally belongs to the Central Circle. So, the seniority in this Circle (combined list) may perhaps be determined on the basis of his date of appointment to the permanent Establishment to the last higher grade, to which he was promoted. Shri Tilwalli was promoted to the grade of 92-8-140 on 1-7-1941 and Shri Dravid on 12-8-1945. Again Shri Tilwalli was promoted to the grade of 95-5-115 now 100-8-150 on 1-7-1947 as provisional permanent and confirmed in that post on 1-10-1948, and Shri Dravid was promoted ~~on~~ to this grade on 1-12-1947 as provisional Permanent in the Central Circle. While fixing the seniority between the clerks belonging to difference Circles, it appears that the pay on the Permanent on the date of amalgamation and the date of next increment should be the deciding factors for fixing the relative seniority of the clerks. The service books of Shri Tilwalli and Shri D.N.Dravid, B.A., are enclosed for reference again for orders of Government on Shri Tilwalli's representation.

4. The names of six Senior Accounts Clerks arranged in the order of seniority (from the combined list of Southern Circle and Karnatak Irrigation Circle) have been furnished in the statement accompanying Superintending Engineer, Karnatak Irrigation Circle's letter No.G-43(Confdl.),dated the 20th July, 1950, addressed to the Secretary to Government, Public Works Department, Bombay, through the Superintending Engineer, Southern Circle, Belgaum. The order of seniority is correct.

5. As for Ratnagiri and Kolhapur Divisions, these Divisions have come under the control of this Circle from 16th May, 1950. So, the Executive Engineers of those Divisions are being asked to submit the service books of Divisional Head Clerks and all the Senior Accounts Clerks direct to Government together with the information in the form accompanying Government Letter No.1129/48-E(II) of 23rd November, 1949. A revised seniority list for this Zone may, therefore, be fixed after taking into consideration the seniority of persons in these two Divisions.

6 .....

6. The service books of the clerks received with Government (Public Works Department) Letter No.1129/48-(3)-E(II), dated 30-5-1950/1-6-1950, have been duly received in this office.

7. So far as the Establishment in the Public Health Division at Dharwar is concerned, I agree with the views expressed by Superintending Engineer, Karnatak Irrigation Circle in paras 4(ii) and (iv) of his letter No.G-43(Confdl.), dated the 20th July, 1950, and suggest that Karnatak Public Health Division should be excluded from this Zone.

8. The letter No.G-43(Confdl.) of 20th July, 1950, from the Superintending Engineer, Karnatak Irrigation Circle, addressed to Government is generally agreed to and enclosed herewith, together with the statement accompanying thereto, duly completed in respect of S.Nos. 1,3, 5 and 6 i.e. persons i.e. persons working in this Circle, at present.

Superintending Engineer, P.I.C.

To

The Superintending Engineer,
Southern Circle, Belgaum.

Subject : Amalgamation of the Clerical Cadres of the Southern & Karnatak Irrigation Circles: Representation from Mr.M.S.Tilwalli, C.A.C., Belgaum B, & R. Sub-Division.

Sir,

I beg to invite a reference to the combined seniority list forwarded under your No.G-43/1, dated 31st August, 1949 and to state as follows :-

On the date of the amalgamation, viz.15th July, 1949, the pay of Mr.D.N.Dravid,B.A.,at serial No.16 of the seniority list was Rs.132/-.

My pay was raised to Rs.140/- with effect from 1-7-1949 i.e. on the date of amalgamation my pay was Rs.140/-.

2. Mr.Dravid has, however, been shown as being senior to me and it is not clear to me as to how this can be so.

3. I learn that Mr.Dravid belongs to the Central Circle. It appears to me that the pay on the date of the amalgamation can be the only deciding factor for fixing the relative seniority of two men belonging to two different Circles and cadres.

4. Moreover, Mr.V.K.Kabe, shown between 19 & 20 in the combined seniority list was acting as Head Clerk in the Karnatak Irrigation Circle from 20-7-1948 till the date of amalgamation and some time after, please vide remark against item No.10. Mr.Kabe is himself lower in the seniority list than myself and I do not follow how the amalgamation has lifted Mr.Dravid above both Mr.Kabe and myself. I also understand that Mr.Kabe has made a representation to the Superintending Engineer, K.I.C., in the matter.

5. It appears from the remark against Mr.Dravid, however, that he was given seniority because he was confirmed in the Central Circle in the grade of 100-8-140-10-150 from 1-12-1947. I do not think there are any orders of Government for fixing the relative seniority of two clerks belonging to two different Circles, on the basis of the date of their confirmation in two different cadres, instead of on their pay and next date of increment. That could procure for Mr.=Dravid a double advantage at every stage of promotion. If there are any orders in support of the basis adopted, they may kindly be pointed out to me.

6. I request that the seniority be refixed on the basis of pay, with immediate effect.

7. The matter is of utmost and immediate importance to me as I expect to stand the next chance of a Head Clerk in the Divisional Office, but for Mr.Dravid.

8. As this question has cropped up at a most crucial time for me, I request that your decision in the matter may please be communicated to me within about four to five weeks, so that I may not be put to loss unnecessarily.

Thanking you,

Yours obediently,

Belgaum,
31st October, 1949.

No.G-46. Public Works Department,
C.V.Belgaum: 4- 1- 1950.

To

The Superintending Engineer,
Karnatak Irrigation Circle, Dharwar.

Subject : Representation from Mr.M.S.Tilwalli, Senior Accounts Clerk for seniority over Mr.D;N. Dravid.

Mr.Tilwalli, Senior Accounts Clerk in the Belgaum Division in this Circle has represented to this office for seniority over Mr.D.N.Dravid, clerk, in your Circle for the reason that he is getting more pay than Mr.D.N.Dravid.

2. The history of service of these two clerks is as detailed below :-

	Mr.M.S.Tilwalli	Mr.D.N.Dravid
Date of appointment to the Department on Temporary Establishment.	4-7-1926	18-5-1936
Date of appointment to Permanent Establishment, as Officiating	18-1-1934	
Date of confirmation.	1-4-1934	28-9-1936.
Date of appointment to the 75-5-100 on Temp.Establishment.	5-3-1941	-
-do- Permanent Establishment.	1-7-1941	12-5-1945 (provl.Permanent)
Date of appointment to 95-5-115 grade as Provisional permanent.	1-7-1947	16-1-1946 (Temporary) and 1-12-1947 (Provl.Permanent
Date of confirmation as Permanent Senior Accounts Clerk.	1-10-1948	

In the Karnatak Irrigation Circle, Mr.Dravid has, however, been treated as Temporary Substantive Senior Accounts Clerk from 1-1-1948 as will be seen from the service book of Mr.D.N.Dravid sent herewith for perusal and transmission to the Executive Engineer, Irrigation Project Division, South,Dharwar. The service book of Mr.Tilwalli is also sent herewith for reference and return to this office.

3. As Mr.D.N.Dravid does not belong to this Circle, his seniority in this Circle will have to be determined on the basis of his date of permanent appointment to the next higher grade viz. 75-5-100 or 70-5-95. As Mr.Tilwalli's length of service is great and as hew was promoted to the 92-8-140 grade earlier than Mr. Dravid as will be seen from the details in para 2 above, I think Mr. Tilwalli should be senior to Mr.Dravid. If you agree, Mr. Tilwalli will be placed above Mr.Dravid in the seniority list which is under preparation.

4. An early reply is requested.

Subject : Representation of Shri M.S.Tilwalli for seniority over Shri D.N.Dravid.

Reference: Correspondence ending with your Express letter No.G-46, dated the 13th June, 1950.

2. The seniority ~~xxxx~~ of Shri D.N.Dravid overeShri M.S. Tilwalli has been fixed by Government as shown in the provisi-nal seniority list of (1) Superintending Engineers' Head Clerks (2) Superintending Engineer's First Clerks and Divisio-nal Head Clerks accompanying Government letter, P.W.D.,Confi--dential No.1129/48(3)-A(II), dated the 30th May/1st June,50.

3. As Shri D.N.Dravid was promoted to the then higher grade of Rs.95-5-115 on provisional permanent basis on 1-12-1947 i.e prior to Shri M.S.Tilwalli who was promoted to that grade on 1-10-1948, the seniority fixed by Government appears correct, in accordance with the principle enunciated in the Government letter mentioned above, vide para 2 of Government Resolution (P.W.D.) No.2832/36, dated the 16th February, 1942.

4. Shri M.S.Tilwalli, Officiating Divisional Head Clerk may please be informed accordingly unless you disagree with the above in which case reasons for disagreement may please be stated.

Reference : Government, Public Works Department, (Confdl.) Letter No.1129/48(3)-E(II), of 30th May/1st June, 1950, and expeditor No.1129/48(3)-E(II) of 11th July, 1950.

2. The provisional seniority list of clerks in the Karnatak Zone issued by you has been verified.

3. Shri M.S.Tilwalli has, however, represented that he is senior to Shri D.N.Dravid, B.A. A copy of the representation of Shri Tilwalli together with the copies of this office letter No.G-46 of 4-1-1950, addressed to the Superintending Engineer, Karnatak Irrigation Circle and his reply No.G-46 of 1-7-1950, in this connection, are enclosed for reference. Shri D.N.Dravid, B.A., originally belongs to the Central Circle. So, the seniority in this Circle (combined list) may perhaps be determined on the basis of his date of appointment to the permanent Establishment to the last higher grade, to which he was promoted. Shri Tilwalli was promoted to the grade of 92-8-140 on 1-7-1941 and Shri Dravid on 12-5-1945. Again Shri Tilwalli was promoted to the grade of 95-5-115 now 100-8-150 on 1-7-1947 as provisional permanent and confirmed in that post on 1-10-1948, and Shri Dravid was promoted ~~on~~ to this grade on 1-12-1947 as provisional Permanent in the Central Circle. While fixing the seniority between the clerks belonging to difference Circles, it appears that the pay on the Permanent ~~on~~ the date of amalgamation and the date of next increment should be the deciding factors for fixing the relative seniority of the clerks. The service books of Shri Tilwalli and Shri D.N.Dravid, B.A., are enclosed for reference again for orders of Government on Shri Tilwalli's representation.

4. The names of six Senior Accounts Clerks arranged in the order of seniority (from the combined list of Southern Circle and Karnatak Irrigation Circle) have been furnished in the statement accompanying Superintending Engineer, Karnatak Irrigation Circle's letter No.G-43(Confdl.),dated the 20th July, 1950, addressed to the Secretary to Government, Public Works Department, Bombay, through the Superintending Engineer, Southern Circle, Belgaum. The order of seniority is correct.

5. As for Ratnagiri and Kolhapur Divisions, these Divisions have come under the control of this Circle from 16th May, 1950. So, the Executive Engineers of those Divisions are being asked to submit the service books of Divisional Head Clerks and all the Senior Accounts Clerks direct to Government together with the information in the form accompanying Government Letter No.1129/48-E(II) of 23rd November, 1949. A revised seniority list for this Zone may, therefore, be fixed after taking into consideration the seniority of persons in these two Divisions.

Subject: Transfer of Clerks;

2. A vacancy occurred at Belgaum and it was unexpected. The Senior Accounts Clerk to fill up the post was Shri V.K. Kabe as per combined seniority list of Clerks of the Southern Circle and the Karnatak Irrigation Circle and he was appointed. There was no point for consultation. The order was in the normal course. In the circumstances you are requested to relieve Shri Kabe immediately and direct him to join his duties at Belgaum only as per this Office Order No.G-44 dated the 2nd September 1950.

3. This has also reference to your Office Order No.G-44 dated the 6th September 1950, the necessity of which arose after the issue and receipt of the transfer order of Shri Kabe. It is needless to say that I do not agree to that order, issued by you. Please remember that when there was a vacancy of a Head Clerk in my office and later on when there was immediately another vacancy of a First Clerk caused by the sudden unfortunate death of Shri Garde I did not seek for selected men only.

No. G-44

Office of the Superintending Engineer,
Karnatak Irrigation Circle,
Dharwar, 13th Sept 1950.

To

The Superintending Engineer,
Southern Circle, Belgaum.

Subject: Transfer of Clerks.

Reference: Your letter No.G-44 dated the 9th September 1950.

2. The main point at issue is not the promotion of Shri. V.K.Kabe as a Divisional Head Clerk in the unexpected vacancy but his sudden transfer from this Circle without consulting me in the first instance. The cadre of the subordinate services in both the Circles being a combined one, it would be in the fitness of things to distribute the experienced staff proportionately in the interest of administration. It will, therefore, be realized that transfers between the two Circles should be made in consultation with each other to avoid inconvenience and dislocation of work in both the Circles. You are well aware that there are several vacancies of Senior Accounts Clerks and Overseers in this Circle and it would be improper on my part if I were to resort to issuing promotion and transfer orders of persons in the combined cadre but working in your Circle without consulting you. In fact, I have been requesting you all along to transfer such subordinates who are due for promotion against the vacancies in this Circle.

3. The Karnatak Irrigation Circle being a newly opened Circle, the need for experienced subordinates, both for organizing the new offices and training the raw staff is, all the while, felt more than in the normal and established offices like those in the Southern Circle where all previous records are at hand and routine work is set up. It would, therefore, be appreciated why I could not and cannot spare the services of Shri.V.K.Kabe at this stage in the interest of administration as he has already joined as Head Clerk in the office of the Executive Engineer, Dharwar Irrigation Division on the 7th September 1950 which office also has been recently opened and is entrusted with the important special programme of Minor Irrigation works of top priority.

4. I do not consider it necessary to dilate on the other points in your letter which was rather a surprise to me. However I wish a copy of your letter containing a controversial issue which was so far being dealt with on Circle office level, was not endorsed to a subordinate officer- Executive Engineer- particularly in view of the language and tone in which the letter has been couched.

No.G-44

Public Works Department,
Belgaum: 21 September 195

Subject: Transfer of Clerks.

Reference: Your letter No.G-44(Confdl.) dated the 13th September 1950.

2. The point raised in para 2 of your letter under reference is a general one about the transfer of experienced subordi-nated. This will be looked into after the receipt of final orders of Government on the proposed retrenchment of staff in this Circle, as previously intimated.

3. In accordance with the implications of orders issued in Government P.W.D. Letter No.7573/36-E(II) dated the 18th October 1948, Shri V.K. Kabe, who was working as Senior Accounts Clerk in your office was promoted as Divisional Head Clerk at Belgaum, as he was due for such promotion according to the combined seniority list of clerks of the Southern Circle and the Karnatak Irrigation Circle and as the vacancy occurred at Belgaum. Your office order No.G-44 dated the 6th September 1950 was issued after the receipt of this Office Order No.G-44 dated the 2nd September 1950 and your further suggestions will actually involve more transfers and consequent dislocation of work, besides militating against the spirit of the orders issued in para 4(i) of Government Circular (F.D.) No.7983/33-II, dated the 27th March 1950. I would, therefore, urge you kindly to reconsider the matter very carefully and release Shri V. K. Kabe to join as Head Clerk in the Belgaum Division.

4. I would also point out that the Belgaum Division is a very heavy charge and public interest cannot tolerate an indifferent Head Clerk there. I am, therefore, prepared to accept any other Head Clerk in place of Shri V.K. Kabe, provided he can be released immediately and provided that his confidential reports show that he is competent enough to hold the post of Head Clerk in the Belgaum Division. The relevant confidential reports may kindly be sent to me with your reply.

Subject:- Posting of Head Clerk to the office of the Superintending Engineer, Karnatak Irrigation Circle, Dharwar.

Reference: Government Letter (Confidential) No.1129/48(3)-E(II), dated 18th May 1950.

With reference to Government Letter quoted above, I have to report that while Shri G.E.Maggavi is a conscientious and painstaking worker, he is slow and not capable of exacting work from his subordinates. He has the habit of keeping back the papers with the result that avoidable delays occur and arrears accumulate. Being a man of mild temperament, he is averse to propose disciplinary measures against defaulters in the office. His management of office and work has not been satisfactory and I do not consider him fit for the post of the Head Clerk in this Office.

2. The next senior man is Shri V.G.Modgikar, who is now working as First Clerk in the Superintending Engineer, Southern Circle's office. He had previously refused transfer to this office on promotion as First Clerk vide ~~Transfer Order~~ No.Confl.G.43, dated 22nd March 1950 and copies of letters Nos.G.43/3, dated 10th July 1950, G.43, dated 6th August 1950 and G.43/1 dated 11th August 1950 (enclosed). Subsequently, however, it seems he has been promoted as First Clerk in the office of the Superintending Engineer, Southern Circle. If he is considered fit to be promoted as Head Clerk in the Circle Office, he may be posted to this office as Head Clerk on probation for six months in the first instance. If this is done and Shri Maggavi is reverted as First Clerk in this office alone, he will have to face the immediate humiliation of working under his Junior in the same office where he had officiated as Head Clerk. This can be avoided for some time if he is transferred to the Southern Circle, where his senior Shri Desai is the Head Clerk. Shri D.R.Bhujle who was so long working as Divisional Accountant, has now returned to the Department and is posted to this office as first Clerk by the Superintending Engineer, Southern Circle.

Subject:- Posting of Head Clerk to the Office of the Superintending Engineer, Karnatak Irrigation Circle, Dharwar.

Shri. V.G.Modgikar has been transferred by the Superintending Engineer, Southern Circle, Belgaum, to this Circle to work as Head Clerk on probation on the temporary establishment in this office and a report on his work will be submitted after six months as desired. As Shri. G.E.Maggavi had already proceeded on four months' leave, the Superintending Engineer, Southern Circle, Belgaum, enquired of him if he would cancel his leave and join his office as First Clerk. But as Shri. Maggavi had not finished the work for which he had taken leave, he was unwilling to join duty. Shri.D.R. Bhujle who had joined this office after his leave, was, therefore, transferred to Southern Circle, in consultation with the Superintending Engineer, Southern Circle, Belgaum, to work as First Clerk in his office vice Shri. Modgikar. Shri. R.G.Deshpande continues to officiate as First Clerk in this office.

Reference: Govt. Letter, P.W.D. No.1129/48(3)-E(II) (Confdl.) of 30th May 1950
1st June

2. In the Zonal Seniority list of clerks, Shri D.R.Bhujale stands at S.No. 8 amongst the Divisional Head Clerks.

3. Shri Bhujale was working as Second Divisional Accountant from 5-9-1949 to 7-11-50, in the office of the Executive Engineer, Dharwar Division (R & B) Dharwar. He has now represented to me that had he remained on the Clerical Cadre he would have acted as 1st Clerk to the Superintending Engineer, Karnatak Irrigation Circle from the date Shri A.V. Pai, Temporary Head Clerk to the Superintending Engineer, Southern Circle proceeded on his refused leave from 31-3-50 B.N.

4. In the normal course Shri V.G. Modgikar, who is senior to Shri D.R. Bhujale, would have acted in that post from 31-3-1950 B.N. instead of Shri Bhujale. But as Shri V.G. Modgikar refused to go as 1st Clerk to the Superintending Engineer, Karnatak Irrigation Circle at Dharwar (from Belgaum Executive Engineer's Office) and as Shri Bhujale happened to work as Divisional Accountant, Shri R.G. Deshpande, Divl. Head Clerk, who is next below Shri D.R. Bhujale, actually acted as 1st Clerk to the Superintending Engineer, Karnatak Irrigation Circle, vide S.E., K.I.C's letter No.G-43(Confdl.) of 22-3-1950, and Govt. Letter, P.W.D. No.1129/48(3)-E(II) of 18th May 1950. As such, Shri Bhujale who would have acted a a 1st Clerk to the Superintending Engineer, Karnatak Irrigation Circle from 31-3-1950 to 7-11-50, but for his deputation to work as a Divisional Accountant, may have to be treated as seconded on pay of Rs. 200/- P.M. in the scale of Rs. 150-10-200 from 4-4-1950 (substantive pay Rs. 190/-) instead of 31-3-1950 in accordance with B.C.S.Rule 44(a) Vol. I.

2. The proposals contained in para 2 of your letter No. G-43(Confdl.), dated the 18th June 1951, addressed to the Chief Engineer, Public Works Department, Bombay, were not made in consultation with and in agreement with me. Copies of your letter (Confdl.) No.G-43, dated the 18th January 1951 and Government Letter (Public Works Department) (Confidential) No.1129/48(3)-II-E(II), dated the 6th February 1951 have been received only with your letter (Confdl.) No.G-43, dated the 25th June 1951. However, it is brought to notice that when you asked me in March 1951 for a Head Clerk in your office, the question of promotion of Shri V.G.Modgikar, First Clerk in this Office, as Head Clerk in your office and consequent posting of a First Clerk in this Office arose. It was at your instance that Shri G.E.Maggavi, First Clerk in your office, who was at Belgaum on leave then, was sent for and informed by me personally that in case he wanted to join at Belgaum, he should cancel his leave and join duties as First Clerk in my office immediately in the vacancy caused then by the promotion of Shri Modgikar. Shri Maggavi then not only expressed his unwillingness to cancel his leave but he stated that he would not mind joining duty in your office at Dharwar on expiry of his leave. It was only then that. Shri D.R.Bhujle, First Clerk in your office, was posted to this Circle, vide your Establishment Order No.G-43, dated 28-3-1951, and appointed as First Clerk in this office, vide this office Establishment Order No.G-44, dated the 28th March 1951. Shri Bhujle, First Clerk, has joined his duties quite recently i.e. on 5-4-1951 and as such, there is now no vacancy of the First Clerk's post in this office to which Shri Maggavi can be appointed.

3. Perhaps, the vacancy referred to by you is the one caused by the proceeding on two months' leave of Shri V.R. Desai, Head Clerk. This is purely a short leave vacancy lasting upto 21-7-1951 when Shri Desai is to resume his duties on expiry of his leave. Hence, I am not agreeable to make any changes to accommodate Shri Maggavi causing thereby dislocation of work in my office which is already heavy and has suffered much due to recent changes in the office Establishment.

4. Draft proposals for the promotion of First Clerk on the Permanent Establishment will be forwarded separately through you for approval of the Chief Engineer as both Messrs. Maggavi and Bhujle are officiating First Clerks at present.
